# WHO WE ARE

# Mission, Vision, Values

# Mission

The West Metro Fire Rescue family is committed to protecting the community's quality of life through prevention, preparedness, and all-hazards emergency response.

# Vision

West Metro Fire Rescue endeavors to be a high quality, responsive, adaptive, learning organization, anticipating and responding to evolving community needs.

# **Values**

# Respectful:

Valuing life, property, and the needs of our community.
Honoring and supporting the people in our organization.
Desiring a culture of community.

# Responsible:

Sustaining a highly trained, well-equipped community response force.

Focused on sustainable fiscal management.

Desiring a culture of stewardship.

### Resourceful:

Drawing on the talents of our stakeholders.

Seeking innovative ideas.

Desiring a culture of empowerment.

#### **Financial Structure and Process**

The budget process for the West Metro Fire Protection District establishes standard procedures for preparing, presenting, and administering the budget. Additionally, it requires involvement in the preparation of the budget by the District employees, the District board members and ultimately, the District citizens through disclosure of the budget before its formal adoption.

A budget is a financial plan for one or more fiscal years. The budget authorizes the local government to spend money and limits how much money can be spent. The budget also justifies the levy of property taxes. Budget preparation allows the District to plan and set goals by assessing and prioritizing needs in relation to projected money available in the current and future years.

As part of the budget process each year, the District assesses the short and long term financial needs to identify critical issues and set primary goals. The budget serves as the financial roadmap necessary to ensure the District accomplishes the strategic priorities outlined within the budget document. All budgeted items are appropriated and in compliance with Colorado Department of Local Affairs (DOLA).

The Finance Director serves as the Budget Officer. West Metro Fire Protection District posts budget instructions and timelines for preliminary budget submittals on the District's workflow module and shared office networks. A budget worksheet, prior and current year expenditures are made available for each fund and division. All line items for each division are reevaluated annually and all budgets are prepared from a zero-based budget philosophy, meaning that all line items should be justified. Submission of preliminary budgets to the Finance Director and the Deputy Chief of Administration are made by August 5th. Preliminary assessed valuations are received from Douglas and Jefferson Counties by August 31st. Tax revenues are then determined and the process of matching revenues with expenditures begins.

The Fire Chief, the Finance Director, and the Deputy Chief of Administration review preliminary budgets and schedule internal budget hearings as necessary with station captains, division heads, and special team leaders to ensure budget expenditures assist in accomplishing District goals and strategic priorities. Internal budgets reviews are finalized during the first week of September.

The Finance Director compiles all budgets in consultation with the Fire Chief and Deputy Chief of Administration. Members of the board will then review the budget document in its entirety. The District ensures a balanced budget is presented. A balanced budget requires projected revenues and carryover fund balances equal or exceed expenditures.

The proposed budget is submitted to the Board of Directors on or before October 15th for their consideration. Approval of the budget document authorizes the District to post a notice in the local newspaper of the public budget hearing held before the Board of Directors to consider the budget as approved. The public hearing is set for November 19<sup>th</sup>. The budget document is made available on the District's website for public inspection. A physical copy of the Budget is also kept during regular business hours at the District's administration building.

The Board of Directors adopts the approved budget in the form of a resolution, which also appropriates, imposes, and categorizes taxes. Final assessed valuation numbers are received from the counties during the first week of December with the requirement that mill levies be certified to the counties by December 15th.

### **2025 Budget Timeline**

- June 4 June 13, 2024 Budget worksheets made ready for distribution to all assigned departments or programs through the budget workflow module.
- **June 13, 2024** Budget instructions and resources made available on the District's shared network.
- August 5, 2024 Preliminary budget proposals (worksheets and narratives) submitted by department or program heads for review and approval.
- **August 30, 2024** Review by Fire Chief, Deputy Chief of Administration, and Finance Director. Internal budget hearings completed.
- **September 6, 2024** Final budget updates and submittals due after the internal budget hearings
- September 13, 2024 Final internal budget reviews and approvals completed.
- October 15, 2024 Proposed 2024 Budget document submitted to the board of directors.
- October 15, 2024 Proposed 2024 Budget presented to the board of directors at the regular monthly meeting.
- November 19, 2024 Public budget hearing and other board meetings held as needed.
- **December 3, 2024** Adoption of budget by the board of directors at a special board meeting.
- December 13, 2024 Certification of the mill levy completed and filed with the counties.
- January 31, 2025 Certified budget filed with Colorado Department of Local Affairs.
- March 3, 2025 Budget document and application submitted to Government Finance Officers Association (GFOA) to be considered for the GFOA's Distinguished Budget presentation Award program.

### **Budget/Financial Policies**

West Metro Fire Protection District operates under Colorado State Statute as a quasi-municipal government. The District provides the citizens within its boundaries with emergency medical services (EMS), fire prevention, fire suppression, public education and specialized teams that support an all-hazards response. The District maintains individuals specifically qualified in hazardous material, technical rescue, underwater and swift-water rescue, and wild land fire. The District is also the sponsoring agency for Colorado Task Force 1 (CO-TF1).

The 2025 budget has been prepared after analyzing requests from all divisions for financial support to ensure the operations of the District. Divisions and stations were requested to provide budgets that detailed items necessary for continued operations at the present level, and requests for enhancements to the division and stations. The District performs financial risk analysis and revenue projections, which serve as the basis for prioritizing and allocating resources for both short-term and long-term financial needs.

The proposed budget is prepared by fund, division, cost unit, and object code. Division and program budgets are prepared and reviewed with projected revenues and available fund resources in mind. The Board of Directors approve and appropriate financial resources at the fund level.

The District manages its finances according to generally accepted accounting principles (GAAP). During the year, financial reports and updates are presented to the District's division heads and the Board of Directors. Annually an audit is performed and filed with the Office of the State Auditor for Colorado and the Municipal Securities Rulemaking Board (MSRB).

### **Fund Accounting**

The District demonstrates legal compliance by segregating transactions related to certain functions using fund accounting that allows to track and report the financial position and results of operation in separate funds. A fund is a separate accounting entity with a self-balancing set of accounts that reports its assets, liabilities, reserves, fund equity, revenues and expenditures. All the funds of the West Metro Fire Protection District can be divided into three categories: governmental funds, proprietary funds, and fiduciary funds. While the Annual Comprehensive Financial Report (ACFR) provides information on fiduciary funds, the District does not provide budgets for these funds.

Governmental funds are used to account for tax-supported activities. Fiduciary funds are resources held by the government as a trustee and cannot be used to support the government's own programs.

The District maintains and appropriates annually for the general fund, the capital projects fund, the general obligation debt service fund, the CO-TF1 special revenue fund, and all internal service funds.

### **Basis of Accounting and Budgeting**

Governmental fund types are budgeted and accounted for on the modified accrual basis of accounting where revenues are recognized in the year they become measurable and available, while expenditures are recorded at the time the related goods and services are received, but not necessarily when cash is paid. Exception to this is interest in long-term debt, which is recognized when due.

### **Fund Balances and contingency**

The District has an established comprehensive fund balance policy and recognizes amounts designated in the fund balance as non-spendable, restricted, and unrestricted. As a policy, the District will maintain a restricted emergency reserve estimated at 3% of general fund proposed revenues (or expenses if higher) under the Colorado State Constitution, Article X Section 20 (TABOR). The District has also policy to reserve fund balances for multi-year obligations approved by the Board of Directors, annually. The District recognizes that ending unassigned fund balance has a contingency built in sufficient to cover unanticipated future expenses. Spending from these categories is based on a comprehensive fund balance policy designating the authority whereby these funds may be accessed.

#### **Debt Administration**

Currently the District has two refunding bonds issued in 2013 and 2016. The General Obligation (GO) Debts were initially issued for the construction of a Training Center and construction and renovations on existing stations. Annually, adequate mill levy rates are calculated and set to cover the portion of the GO debt service principal and interest due within the budget year.

Colorado Law requires voter approval for any General Obligation Debt issued. The District's aggregate outstanding bonded indebtedness should not exceed 50% of the valuation of assessment of taxable property in the District, pursuant to  $\delta$  32-1-1101(6) C.R.S. The District is in compliance and has only accessed just 1% of its total legal debt limit.

#### **Cash Management**

Property taxes collected by Jefferson County and Douglas County are deposited into the West Metro Fire Protection District's CSAFE investment pool and Wells Fargo commercial checking accounts. Investment income derived from the investment account is allocated to the contributing funds based on the proportion of their respective average balances relative to the total balance. Investment objectives of the District emphasize the preservation of capital and protection of investment principal.

### **Capital Expenditures**

The District maintains a capital expenditure policy in line with the Government Finance Officers Association (GFOA) best practice that recommends a threshold of \$5,000 for capitalization of assets. In the budget year, these fixed assets are shown in the budget as Capital Expenditures and Capital Improvements. Additionally, the District maintains the Capital Projects Fund to account for capital expenditures associated with large projects. Assets are depreciated using the straight-line method, which allocates costs based on the useful life of the asset. Depreciation for governmental funds is computed at entity wide level, hence not budgeted. However, the internal service funds, which follow a business type approach, report and budget depreciation at fund level.

The District uses the following useful lives for fixed assets: Land (Non-Depreciable), Buildings (30 Years), Fire Apparatus (15 Years), Ambulances (7 Years), Staff Vehicles (7 years), and Equipment (5 Years).

### **Summary of Policies**

The District's financial policies provide guidance for financial decision making and ensure compliance to regulations, best practices, and long-term strategic goals. The District's major financial policies are summarized below:

- **Balanced Budget policy B-2512**: The District will budget revenues in a conservative manner, based on historical trends, economic conditions and projections that are realistic.
- Balanced Budget policy B-2512: The District will maintain a balanced budget where expenditures do not exceed revenue and fund balances. One-time revenues will not be utilized to pay on-going expenses.
- Comprehensive Fund Balance Reserve policy B-8019: The District will maintain adequate fund balance reserve and designate fund balance classifications as non-spendable, restricted, committed, and unassigned.
- **Debt Issuance and Capacity policy B-2510:** The District will budget for debt service payments and certify the mill levy for the general obligation debt. The District will ensure compliance to the legal debt limit.
- Capital Projects and Capital Improvement Plan policies B-8016-18: As part of long-term
  financial planning, the District will establish sustainable capital project funding for future
  acquisition and/or improvement of capital assets. The District will maintain capital assets
  through regularly scheduled and budgeted maintenance to minimize future replacement
  costs and continue current service levels.
- **Investments policy B-2509:** The District will invest available funds in a local government investment pool or other investments as authorized by the Board of Directors. Liquidity, safety, and yield are the primary investment objectives of the District.

### 2025 Budget Highlights

For the 2025 budget year, the District has a total projected revenue of \$124,064,229. This has shown a slight decrease of \$61,093 compared to the 2024 budget. Below are some major highlights for the 2025 revenue budget.

#### Revenue:

- ➤ Property tax revenue for the general fund is estimated to show a \$2 million decline compared to 2024. This is due to the impact of the recent state legislation HB24B-1001. Assuming no reduction was made to the assessment rates, the District would have received approximately \$6 million higher in tax revenue for the 2025 budget year. Detail calculations are presented on page 14.
- ➤ Contractual revenue budget is projected to go up by \$1.1 million mostly due to the NREL contract renewal that increased the annual service revenue by \$1.07 million. The District anticipates to receive a total of \$13.76 million over the 5-year contract term.
- ➤ The total fleet services revenue budget is up by \$444,691. This is based on the projected demand for fleet services and rising prices in vehicle parts.
- ➤ EMS revenue budget for 2025 is projected to slightly go down by \$237,500 compared to 2024. This is mainly due to the anticipated decline in the reimbursements from the Medicaid supplemental payment program. Recent directives of the program have limited the allowable costs for reimbursement.

The total budgeted expenses for 2025 are up by \$11,672,656 compared to the 2024 budget. Below are major factors for the budget increase:

### **Expenses:**

➤ Total Salaries for 2025 are expected to go up by \$5.26 million. The District plans to hire 30 new recruits as well as add 7 new full-time positions in 2025 as shown below. A 5% salary increase is also proposed in the budget to all currently active employees.

Status	Division	Position/Title	Number of FTEs
Civilian	HR	HR Technician	1
Civilian	Life Safety	Fire Protection Engineer	1
Uniform	Life Safety	Assistant Fire Marshall Code Enforcement Inspector	2
Uniform	Operations	Staffing Captain	1
Uniform	Operations	Wildland Support Specialist	1
Uniform	Training	Professional Development Lieutenant	1
Uniform	Operations	New Recruits (18 in spring, 12 in fall)	30

- Employee benefits are up by \$1.28 million, mainly due to projected staffing and salary increases in 2025. Additionally, health insurance premiums are projected to go up by 7.5% and employer pension contribution rates are increasing by 0.5% next year.
- The apparatus replacement budget is up by \$2.85 million due to a planned increase in vehicle purchase orders to address the lingering supply chain issues, rising prices, and delays in delivery. The budget also includes \$526,654 carryover from 2024 for two ambulance purchases. Details of the apparatus budget are presented on page 54
- Maintenance costs for 2025 are anticipated to increase by \$1 million mostly from rising fleet maintenance service demands and costs.
- ➤ Projected expenses for election, training and education, general liability insurance, and contractual services are other notable contributors for the budget increase in 2025 with a combined increase of \$1 million compared to the 2024 budget.

At the end of the 2025 budget year, the District projects a fund balance of \$62,200,428. This includes \$3,922,889 in restricted funds for emergency reserves and debt services; \$7,686,400 committed for capital projects; \$10,637,979 assigned to internal service funds; and \$39,953,160 unassigned under the general fund.

# WEST METRO FIRE PROTECTION DISTRICT General Fund

The General Fund is used to account for all activities of the District that are not budgeted for in other funds. Primary among these activities is the recording of District revenue through property tax levies, EMS medical billing revenues, permits and contracts. Expenditures within this budget consist of administrative, operations, and life safety.

# WEST METRO FIRE PROTECTION DISTRICT

# **Administration Division**

The Administration Division of the General Fund accounts for the salaries of civilian and uniformed personnel that are assigned to administrative work for the District. Within the Administration Division are various cost centers that expend in accordance with specific objectives. Following is the list of administration divisions and their descriptions:

**10-01-00 Administration:** This cost center includes the office of the deputy chief of administration. Administrative costs, including general liability insurance, county treasurer fees and various office costs that benefit the entire District are assigned to this budgetary division.

**10-01-60 Chief's Office:** The fire chief and administrative support staff expenses are charged to this cost center.

**10-01-61 Awards Committee:** The Awards Committee is responsible for the recognition of both members of West Metro Fire Rescue and members of the community for outstanding accomplishments and acts beyond the call of duty.

- **10-01-62 Board of Directors:** The District operates under a publicly elected board of directors. The board is responsible for policymaking, adopting the budget, appointing committees, managing long-range planning, and hiring the fire chief. The District is divided into seven director districts, with directors elected on a non-partisan basis to four—year staggered terms. The board meets on the third Tuesday of each month.
- **10-01-63 Peer Support:** Peer Support Program aims to provide emotional, psychological, and social support to the firefighters and emergency personnel within the organization. The nature of emergency service work exposes firefighters to traumatic incidents, high stress, and challenging situations, which can have a significant impact on mental well-being. The Peer Support Program is designed to address these issues through a network of trained peers who are familiar with the unique challenges of the job.
- **10-01-64 Honor Guard:** The Honor Guard provides escorts and posting of colors at various functions when requested, as well as maintains fire service traditions and dignity at District functions.
- **10-01-65 Finance:** The Finance division is responsible for the financial planning, management, and safeguarding of the District's resources. The division ensures fiscal responsibility, accurate reporting, and compliance with all applicable laws and regulations. The core functions of the division include budgeting, financial accounting and reporting, payroll administration, treasury and cash management.
- **10-01-69 Human Resources:** The Human Resources division is responsible for recruitment, benefits, compensation, employee relations, and employment policies and procedures. This division completes and coordinates the in and out processes for both civilian and uniformed personnel.
- **10-01-70 Recruit Candidate Selection (RCS):** The RCS administers the recruiting process for prospective firefighters. The recruiting process involves several stages of testing and creates a hiring list for the District. The RCS covers the written exam, physical ability test, oral board, and evaluation process. The rigorous testing process allows West Metro to hire the most qualified individuals.
- **10-01-71 Civil Service:** The Civil Service committee of nine community members is appointed by the District's board of directors. They are responsible for establishing standards of employment and termination, and they direct the promotional exam process utilized in the selection of engineers, lieutenants, captains, and assistant chiefs.

**10-01-73 Information Technologies (IT):** The Information Technologies division is responsible for managing and maintaining the District's computer networks, security, phone and radio systems. The IT division is comprised of five civilian positions tasked with providing technological solutions and support to the District's employees and guests.

**10-01-74 Wellness:** The Wellness division is responsible for the overall health, physical fitness, and wellbeing of employees. The Wellness division is also entrusted with the comprehensive management of all aspects of worker's compensation for the District.

**10-01-75 Public Information:** The public information officer (communications/media relations specialist) disseminates the District's news, safety and emergency information to the community and the media, while protecting and promoting the brand, image and value of the District.

**10-01-76 Facilities**: Facilities maintenance is responsible for the overall maintenance of all buildings and properties owned by the District.

**10-01-99 Benefit Allocation:** Benefits are paid by this budgetary division and are allocated to all cost centers with full time equivalents. Allocations are based on compensation, headcounts, and other system generated reports.

# WEST METRO FIRE PROTECTION DISTRICT

# **Operations Division**

The Operations division accounts for the salaries of uniformed personnel assigned to all line resources. Within the Operations division are various support services and cost centers that expend in accordance with specific objectives. Following is the list of Operations divisions and their descriptions:

**10-02-20 Operations:** The Operations cost center includes salaries and benefits of all uniformed personnel assigned to line resources available for responding to fire and emergency services within the District as well as neighboring areas under a mutual aid support. The Operations division oversees the day-to-day delivery of emergency responses. All apparatus replacement and maintenance internal service fund costs are charged to Operations.

**10-02-21 Staffing:** The Staffing division is responsible for the administration, scheduling, and staffing of line operations and call back to maintain minimum staffing levels as mandated by District policies.

**10-02-28 Old Station 8:** Old station 8 serves as a union hall for Local 1309 through a lease agreement. The facility also provides some storage space for the Dive team.

- **10-02-29 District Chiefs:** The District Chiefs division includes the Crew Empowerment program previously reported under Operations 10-02-20. Equipment and general supplies associated with all three District Chief offices are also covered under this cost center.
- **10-02-30 W Mississippi Storage:** A new location at 6225-6245 W. Mississippi Ave adjacent to Station 7. The property was acquired in 2023 to build an apparatus and equipment storage facility for the District. Construction will begin in 2025.
- **10-02-31 EMS:** The Emergency Medical Services (EMS) division manages the EMS day-to-day operations, special events, and paramedic training. All supplies and equipment for the ambulances are procured through this budget. The Mobile Integrated Healthcare program also falls within this division. Medic personnel salaries and benefits are budgeted in the Operations division.
- **10-02-32 Safety:** The Safety division is responsible for the overall health and safety of all employees. The division consists of the risk management division chief and the safety captain who work in coordination with the wellness manager.
- **10-02-33 Hazardous Materials:** The Hazardous Materials Team responds to incidents when a release of hazardous substances has occurred. This includes fuel, chemical spills, and nuclear releases.
- **10-02-34 Technical Rescue:** The Technical Rescue Team provides the expertise needed when a threat of building collapse or the need for extrication exists at the scene of an automobile crash. The individuals on this team are specially trained to perform high and low angle rope rescues of unprepared hikers and climbers.
- **10-02-35 Wildland:** Urban interface lands or areas that are highly susceptible to the dangers of wildfire cover nearly 40% of the District. This wildland division provides the critical expertise to help control these fires by training and preparing firefighters with skills to respond to wildland fires. The team responds to any call by state and federal agencies to help with large wildland and forest fires.
- **10-02-36 Dive Team: The** Dive Team provides surface and underwater rescue, search and support capabilities both to the District and mutual aid agencies. The team is able to operate autonomously or in conjunction with other departments to accomplish this mission. Together with Westminster Fire, South Metro Fire, Thornton's police and fire department, they form the Metro Dive Team, a mutually supportive entity that allows for the ability to train and operate on a common platform.
- **10-02-37 Wildland Mitigation**: Through the wildland mitigation the District engages communities to assist and help facilitate mitigation efforts to prevent catastrophic fire loss in District.

- **10-02-38 Emergency Management**: A new cost unit added in 2023 budget to capture expenses and activities directly related to emergency management, including the UAS/Drone program. Previously, these expenses were accounted for in the operations budget (10-02-20).
- **10-02-41 Equipment/Apparatus:** This division provides all equipment needed for operation including PPE, loose equipment, SCBA, and other apparatus related equipment.
- **10-02-42 SCBA:** The Self-Contained Breathing Apparatus (SCBA) division is responsible for repairing and maintaining the District's SCBA equipment. The District entered into a contractual arrangement with an outside vendor to provide these services.
- **10-02-43 Fire Hose:** The Hose division is responsible for evaluating, testing, purchasing, repairing, and maintaining hose and related supplies for the District.
- **10-02-44 Ladder:** The Ladder division is responsible for the testing, maintenance, and purchasing of all District fire service ground ladders, including the ladders at the Training Center. This work is done at the Fleet Services facility.
- **10-02-45 Bunker Washer:** Gear Wash Cleaners provide advanced bunker gear cleaning for the District. For safety reasons, bunkers need to be washed to remove smoke and other contaminants when they have been exposed. Clean bunker gear also helps the District maintain a professional appearance.
- **10-02-47 Communications:** The communication division provides for all physical equipment needed for radio communication and manages leases and contracts related to communication services including the contract with Jeffecom 911.
- **10-02-50 Training:** The Training division supports the training and professional career development of all employees of the District.
- **10-02-51 Accreditation:** Accreditation supports the continuous improvement process, performance measures, and quality service standards in all areas of the District's service delivery. The accreditation process involves self-assessment, independent peer review, as well as an updated risk assessment and standards of coverage.
- **10-02-52 3301 S Field Street (Old Station 10):** South Field Street provides workspace for the Facilities division and rental space for bunker gear cleaning service.

The District's **Special Operations** is responsible for cost units 10-02-33 through 10-02-38, and cost units 10-02-28, 10-02-41, 10-02-42, 10-02-45, 10-02-47, and 10-02-52 fall under **Support Services**.

# WEST METRO FIRE PROTECTION DISTRICT Stations

**10-02-01 Station 1** is located at 6401 West 14<sup>th</sup> Avenue. The primary response area consists of 6<sup>th</sup> Avenue on the south, 26<sup>th</sup> Avenue on the north, Sheridan Boulevard on the east, and Carr Street to the west. A minimum of 9 personnel operate out of an Engine, two Medic units and a Safety and Medical (SaM) unit. Station 1 is among the busiest in the District.

**10-02-02 Station 2** is located at 1545 Robb Street. The primary response area consists of 2<sup>nd</sup> Avenue on the south, 26<sup>th</sup> Avenue on the north, Garrison on the east, and Denver West on the west. A minimum of 7 personnel operate out of a Tower, Engine, and Hazmat unit. Station 2 personnel are trained to the Hazmat Technician level.

**10-02-03 Station 3** is located at 95 Garrison Street. The primary response area consists of Mississippi Avenue on the south, Colfax on the north, Wadsworth on the east, and Quail Street on the west. A minimum of 7 personnel operate out of an Engine and two Medic units. Station 3 is among the busiest in the District.

**10-02-04 Station 4** is located at 13155 West Alameda Parkway. The primary response area consists of Jewell Avenue on the south, 6<sup>th</sup> Avenue to the north, Kipling Parkway on the east, and C470 to the west. A minimum of 6 personnel operate out of an Engine, Medic, and Brush truck. Station 4 is also home to the District 2 Chief, who is responsible for stations 3, 4, 7, 8, and 9.

- **10-02-05 Station 5** is located at 14055 West 20<sup>th</sup> Avenue. The primary response area consists of Colfax Avenue to the south, Clear Creek on the north, Union Street to the east, and Quaker Street to the west. A minimum of 5 personnel operate out of an Engine, Medic, a Brush truck, and Hazmat unit. Station 5 personnel are trained to the Hazmat Technician level.
- **10-02-06 Station 6** is located at 15100 West 6<sup>th</sup> Avenue. The primary response area consists of Colorado Mills Mall, Red Rocks Community College, three major highways: I-70, C-470, and 6<sup>th</sup> Avenue. A minimum of 4 personnel operate out of an Engine and a Tactical Tender.
- **10-02-07 Station 7** is located at 6315 West Mississippi Avenue. The primary response area consists of Jewell Avenue to the south, 1<sup>st</sup> Avenue to the north, Sheridan Boulevard to the east, and Carr Street to the west. A minimum of 7 personnel operate out of an Engine, Medic unit, and the ARM car. The ARM car also staffs a mid-level provider in addition to a firefighter paramedic. Station 7 is among the busiest of stations in the District.
- **10-02-08 Station 8** is located at 9001 West Jewell Avenue. The primary response area consists of Carmody Estates, Cloverdale West, Green Gables, Heritage West, Lochwood, Palomino Park, and Sun Valley Estates. A minimum of 7 personnel operate out of a Tower, Engine, and Dive 2. Station 8 personnel are trained dive rescue technicians and respond in and out of District as part of the Metro Dive Team.
- **10-02-09 Station 9** is located at 101 Red Rocks Business Drive. The primary response area includes Bandimere Speedway, Bear Creek Lake Park, Dinosaur Ridge, the Historic Town of Morrison and Red Rocks Amphitheater. A minimum of 4 personnel operate out of an Engine and Brush truck. Station 9 is the primary wildland interface station and coordinates department wildland fire fighting training. Station 9 houses Engine 39 which responds to wildland fires across the United States.
- **10-02-10 Station 10** is located at 3535 S Kipling Street and is adjacent to the West Metro Training Center and the Federal Emergency Management Agency's (FEMA) Urban Search and Rescue Colorado Task Force One. The primary response area consists of Belleview to the south, Morrison Road to the north, Sheridan to the east, and C-470 to the west. A minimum of 7 personnel operate a Heavy Rescue, Medic unit, and a SaM unit. The personnel at station 10 are trained Technical Rescue technicians and respond to incidents involving building collapse, high/low angled rope rescue, trench and confined space rescue.

- **10-02-10 Station 11** is located at 15629 West Belleview Avenue. The primary response area is C-470, Highway 285, Willow Springs, Willow Brook, Friendly Hills, Foothills Green, open space, and the south end of the Town of Morrison. A minimum of 4 personnel operate out of an Engine and Brush truck. Station 11 manages and maintains hose for the entire District.
- **10-02-12 Station 12** is located at 9990 West Alamo Place. The primary response area consists of Coal Mine Avenue to the south, Quincy to the north, Wadsworth Boulevard to the east, and Alkire to the west. A minimum of 5 personnel operate an Engine and Medic unit.
- **10-02-13 Station 13** is located at 12613 West Indore Place. The primary response area consists of the C-470 corridor and the Ken Caryl Ranch and Valley. A minimum of 5 personnel respond out of an Engine, Medic, and Brush truck.
- **10-02-14 Station 14** is located at 10305 West Chatfield Avenue. The primary response area consists of C-470 to the south, Coal Mine Avenue to the north, Wadsworth Boulevard to the east, and C-470 as it winds to the west. A minimum of 5 personnel respond out of a Ladder Truck. Station 14 personnel are trained in Technical Rescue response and are part of the West Metro Technical Rescue Team. Station 14 is also home to District 3 Chief who is responsible for stations 10, 11, 12, 13, 14, and 15.
- **10-02-15 Station 15** is located at 6220 North Roxborough Park Road. The primary response area consists of the Roxborough Community, Roxborough State Park, and Waterton Canyon. A minimum of 5 personnel respond out of an Engine, Medic, and Brush truck.
- **10-02-16 Station 16** is located at 3880 Upham Street. The primary response area consists of 26<sup>th</sup> Avenue to the south, I-70 to the north, Sheridan to the east, and Garrison to the west. A minimum of 6 personnel respond out of an Engine and Medic unit. Station 16 is also home to District 1 Chief who is responsible for stations 1, 2, 5, 6, 16, and 17.
- **10-02-17 Station 17** is located at 10901 West 38<sup>th</sup> Avenue. The primary response area consists of 26<sup>th</sup> Avenue to the south, Clear Creek to the north, Garrison Street to the east, and Young Field Street to the west. A minimum of 5 personnel respond out of an Engine, Medic unit, Brush truck, and swift water response vehicle. The personnel at Station 17 are trained in swift water rescue.
- **10-02-18 (7475 W.5**<sup>th</sup> **Ave)** this is the proposed future location of a new fire station (station 18). The District acquired the property located at 7475 W 5<sup>th</sup> Avenue in 2024 and plans to complete the design work of the new station in 2025.

## WEST METRO FIRE PROTECTION DISTRICT Life Safety Division

The Life Safety division is tasked with preventing or reducing property damage, injury, and loss of life due to fire. This division oversees inspections of buildings and businesses to check for compliance with safety standards. Building permits are issued after the appropriate plan review has been completed by uniformed personnel working in the division. Fire systems are inspected annually, and other permits are issued to include hazardous materials permits and firework tent sales.

The Investigations unit, under Life Safety division, is a team of uniformed personnel charged with investigating all fires within the District. The mission of the Fire Investigations unit includes proper examination of the fire or explosion scene, successful prosecution of offenders, and intervention in connection with juvenile fire setter education.

Other Community support programs under Life Safety division include community education, Child passenger safety, family fire muster and support network.

## WEST METRO FIRE PROTECTION DISTRICT General Obligation Debt Service Fund

The General Obligation (GO) Debt Service Fund is used to account for the collection of tax revenues and payment of principal and interest on GO bonds. Currently the District has two refunding bonds issued in 2013 and 2016 (Moody's rating Aaa). The refunding bonds were issued to refinance the 2006 and 2007 GO bonds, which provided funding for the construction of the training center, and other major renovation and expansion works on the District's fire stations.

Bond Issue Details and ratings available at: <u>Electronic Municipal Market Access (EMMA)</u>

## WEST METRO FIRE PROTECTION DISTRICT CO-TF1 Special Revenue Fund

The Colorado Task Force One (COTF1) Special Revenue Fund is used to account for the operations of the Colorado Task Force that are reimbursed through the Department of Homeland Security Federal Emergency Management Administration (FEMA Grants)

The FEMA grants are utilized for training and preparation purposes. Grants are awarded on a fiscal year basis. FEMA cooperative grants are reported in this budget based on calendar year use. The District is the sponsoring agency for the CO-TF1 program and maintains MOA's with participating agencies. Costs related to actual responses and deployments are covered under separate grant numbers and are not included in the annual budget.

# WEST METRO FIRE PROTECTION DISTRICT Colorado Metropolitan Certification Board Internal Service Fund

The Colorado Metropolitan Certification Board (CMCB) is a collaborative effort among nine front-range fire agencies with a mission "to provide member departments and their firefighters a professional, dependable and equitable certification process". CMCB is accredited by Pro Board for Fire Service Training and certification.

The CMCB Internal Service Fund is managed by a full-time CMCB director and the District's Training Division chief. All member agencies pay their own certification fees. Administrative expenses are allocated among members based on cost sharing agreement.

Member agencies include: Aurora, Arvada, Castle Rock, Colorado Springs, Denver, Poudre, South Adams, South Metro, and West Metro.

### **WEST METRO FIRE PROTECTION DISTRICT**

## Fleet Maintenance Internal Service Fund

The Fleet Maintenance Internal Service Fund (ISF) was established in 2006 to provide maintenance and repair services for all District vehicles. As an ISF, it operates on a cost reimbursement basis through service charges to various divisions of the District and outside agencies. The Fleet division provides 24-hour service and has eight emergency vehicle technicians and one administrative assistant.

### WEST METRO FIRE PROTECTION DISTRICT

## Apparatus/Vehicle Replacement Internal Service Fund

The District maintains an Apparatus and Vehicle Replacement Internal Service Fund (ISF) that was established in 1996 as a commitment by the District to fund the apparatus and other vehicle replacements through interfund transfer from the General Fund operations.

Other sources of income for this ISF include reimbursement from use of vehicles on wildland deployments, prorated interest income on pooled investments, and sale of surplus vehicles.

### West Metro Fire Protection District 2025 Budget Apparatus Replacement Internal Service Fund

### WEST METRO FIRE PROTECTION DISTRICT

## Training Center Internal Service Fund

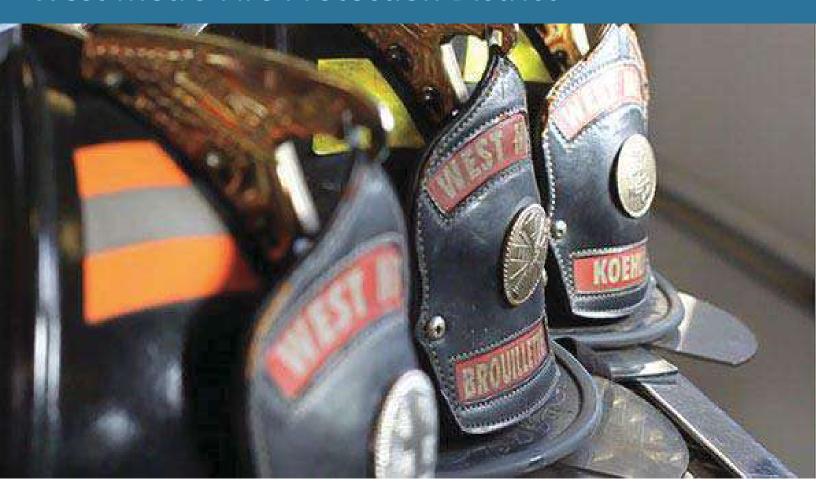

The Training Center Internal Service Fund (ISF) was established in 2011 to provide a fully functional facility for the District and outside agencies to use for meetings, events, and trainings. The training center houses conference rooms and outside training grounds for recruit academy and other emergency response practices.

The Training Center ISF receives revenue from hosting trainings and providing facility rental to the District, CO-TF1, and outside agencies. Included under Training Center budget are general training center facility services, technical rescue school, structural collapse tech class, and other outside training services.
