West Metro Fire Rescue Stations

We have 17 fire stations strategically located for quick response to emergency incidents within West Metro's service area.

Find the station closest to you by city:

Golden:

Station 5

14055 West 20th Avenue ([map](#))

West Metro Station 5 is located on the corner of Eldridge Street and 20th Avenue in the Applewood neighborhood.

Response Area

The primary response area for Station 5 is bordered by:

- Clear Creek on the north
- Colfax Avenue on the south
- Union Street on the east
- Quaker Street on the west

The response area includes the National Renewable Energy Campus, portions of the Coors Facility, the Denver West Complex and the Rolling Hills Country Club. Station 5's response area also contains a large wildland-urban interface.

Station 6

15100 West Sixth Avenue ([map](#))

WMFR Station 6 is located south of Sixth Avenue directly west of Indiana Street, across the street from the Jefferson County Fairgrounds.

Response Area

- Station 6's response area includes:
- Colorado Mills Mall
- Red Rocks Community College
- Three major highways: I-70, C-470, and 6th Avenue
- Wildland-urban interface properties

Station 6's response area borders the City of Golden and includes a dual response area with the Pleasantview Fire Department. This station responds under mutual aid agreements with the Pleasant View and Golden Fire departments.

Lakewood:

Station 1

6401 West 14th Avenue ([map](#))

Station 1 is located along what is known as the Colfax Corridor, one block south of West Colfax Avenue near one of Colorado's landmark restaurants, Casa Bonita. It's our busiest station.

Response Area

Station 1 provides services to the northeast portion of Lakewood. It's bordered to the east by Sheridan Boulevard and extends north to 26th Avenue. This area includes the following neighborhoods:

- Glen Creighton
- Grand View Acres
- Kawanee Gardens
- Lakewood Country Club
- Lakewood Gardens
- Norwood

Station 2

1545 Robb Street ([map](#))

West Metro Fire Rescue Station 2 is located one block north of Colfax and two blocks east of Simms on Robb Street.

Response Area

Company 2 responds to the West Colfax Corridor from Garrison Street on the east, to Denver West Boulevard on the west between Second Ave and 26th Ave. The area is diverse with retail shopping centers, light industry, single-family/multi-family housing and highways.

Neighborhoods in Station 2's response area include:

- Quailridge
- Applewood Glen
- Idlewild

Station 2 is the first due station for Caridian BCT Labs, a large manufacturing facility of medical equipment, and along portion of the West loop of the RTD Fast Tracks light rail system. There are five elementary schools in Station 2's response area.

Station 3

95 Garrison Street ([map](#))

WMFR Station 3 is located five blocks south of Sixth Avenue and four blocks north of Alameda Avenue at First Avenue and Garrison Street.

Response Area

Station 3's response consists of the following areas:

- Between Colfax Avenue on the north
- Mississippi Avenue on the south
- Wadsworth Boulevard on the east
- Quail Street on the west

It includes the neighborhoods of Lakewood Heights, Lakewood Acres, Lakewood Village, Glennon Heights, Sun Valley Estates, Villa West, Belmar Gardens, West Alameda Heights, and Bonvue.

Crew

Several members of the U.S. Armed Forces have been assigned to Station 3. When a member is deployed, fellow crew members proudly wear a Service Star Pin on their uniform to honor them. Military Service Star banners are also displayed in the front office window of the station during each time of deployment.

Station 4

13155 West Alameda Parkway ([map](#))

West Metro Fire Rescue Station 4 is located on Green Mountain, just north of Green Mountain High School. Station 4 sits on the hill approximately one mile west of Union and serves all subdivisions in the Green Mountain area. The station houses Engine 4, Medic 4 and Brush 4.

Response Area

- Station 4's response area is bordered by:
- Sixth Avenue to the north
- Kipling Parkway to the east
- Jewell Avenue to the south
- C470 to the west

Station 7

6315 Mississippi Avenue ([map](#))

WMFR's Station 7 is located on Mississippi Avenue between Pierce and Harlan streets. Station 7 opened in 2008 and replaced Old Station 7, the former Bancroft Fire Department Station 1 and Headquarters originally built in 1943.

Response Area

Station 7 covers a large response area, bordering:

- City of Denver to the east on Sheridan Boulevard
- First Avenue to the north
- Carr Street to the west
- Jewel Avenue to the south

Within this response area is a broad spectrum of single- and multi-family residences to businesses and retail centers.

Station 8

9001 West Jewell Avenue ([map](#))

West Metro Fire Rescue Station 8 is located on West Jewell Avenue, between Wadsworth Boulevard to the east and Kipling Parkway to the west. The station is home to the West Metro Dive Team.

Response Area

Station 8's response area includes the defunct Green Gables Country Club as well as Kendrick, Smith, Main, and East reservoirs.

Station 8 protects the communities of:

- Carmody Estates
- Cloverdale West
- Green Gables
- Heritage West
- Lochwood
- Palomino Park
- Sun Valley Estates

Station 10

3535 South Kipling Street [\(map\)](#)

West Metro Fire Rescue Station 10 is located at South Kipling Street and West Hampden Avenue.

Station 10 houses the West Metro Technical Rescue Team and the Rescue 10 and Collapse Truck apparatus.

The station is next door to WMFR's Training Center and the Federal Emergency Management Agency's (FEMA) Urban Search and Rescue Colorado Task Force 1. Station 10 is West Metro Fire's largest fire station.

Response Area

The station's primary response area consists of diverse terrain including:

- Assisted-living facilities
- High-density residential
- Light-density commercial
- Numerous open spaces
- Parts of C-470 and Highway 285
- Recreational facilities
- Single-family dwellings
- Wildland-urban interface areas along the Bear Creek drainage/open space

• Littleton, Unincorporated Jefferson County

Station 12

9990 West Alamo Place [\(map\)](#)

West Metro Fire Rescue Station 12 is located north of Bowles Avenue at the southeast corner of Kipling and Alamo Place. Station 12 sits at one of the primary entrances to the Governor's Ranch Community and the Grant Ranch Development. It also provides service to the communities surrounding Southwest Plaza Mall.

Response Area

- Station 12's primary response area is:
- Quincy Avenue to the north
- Coal Mine Avenue to the south
- Wadsworth Boulevard to the east
- Between Simms and Alkire to the west

Phone: (303) 989-4307 | www.westmetrofire.org

Station 13

12613 West Indore Place [\(map\)](#)

West Metro Fire Rescue Station 13 is located one block north of the intersection of Shaffer Parkway and Ken Caryl Avenue.

Response Area

Station 13 provides fire and emergency medical assistance for the Ken Caryl Ranch area and the C-470 corridor.

Special Operations

Station 13 is one of West Metro's stations designated as a wildland station. This means that the station is in close proximity to what is considered wildland-urban interface. Grass and brush fires can grow quickly and endanger homes and businesses in this area.

Station 14

10305 West Chatfield Avenue [\(map\)](#)

West Metro Fire Rescue Station 14 is in Ken Caryl Ranch near West Chatfield Avenue and South Kipling Street.

Station 14 participates in many local neighborhood events throughout the year as well as regularly visiting schools and businesses, offering fire prevention and education to our children and business leaders.

Response Area

Company 14 responds to a large variety of 911 calls, including emergency medical, fire, and motor vehicle accidents on C-470 and the surrounding secondary roads. Firefighters are trained and prepared to respond as part of the West Metro Technical Rescue Team.

Morrison

Station 9

101 Red Rocks Business Drive ([map](#))

West Metro Fire Rescue Station 9 is strategically located at the mouth of Bear Creek Canyon, on the northeast corner of C-470 and Morrison Road, directly north of Bear Creek Lake Park. Station 9 protects a majority of Jefferson County's pristine historical and recreational sites.

Response Area

Station 9's capabilities include a multifaceted response of structural fire protection/suppression, paramedic engine medical services, and wildland fire mitigation and suppression.

Coverage Centers

As part of the District's highway response, Station 9 covers portions of C-470, Highway 285, and Colorado Highway 8. The area includes a number of unique geologic and cultural centers including:

- Bandimere Speedway
- Bear Creek Lake Park
- Dinosaur Ridge
- Historic Town of Morrison
- Jefferson County Open Space
- Red Rocks Amphitheatre

Station 11

15629 West Belleview Avenue ([map](#))

WMFR's Station 11 is located one mile west of C-470 on Belleview Avenue in Morrison. This wildland-urban interface station lies just off the ninth fairway of the Red Rocks Golf and Country Club. Animals such as the mule deer, elk, and red fox frequently visit the grounds.

Response Area

Station 11's primary response area is C-470, Highway 285, and residential housing surrounded by open space and hiking trails. Primary response is provided to the local subdivisions of Willow Springs, Willow Brook, Friendly Hills, Foothills Green, and the south end of Morrison.

Roxborough/Littleton

Station 15

6220 North Roxborough Park Road ([map](#))

West Metro Fire Rescue Station 15 is located at the southern end of Rampart Range Road in West Douglas County. It is the southern-most station in the West Metro Fire Protection District, and is physically separated by several miles from the rest of the District.

Response Areas

Station 15's primary response area is the unique Roxborough community in west Douglas County. The Roxborough community is often seen as a microcosm of the state of Colorado featuring:

- Plains east of the hogback (mountains) with grassland and rolling hills
- Mountains west of the hogback with the foothills replete with steep terrain, forested areas, and beautiful red rock formations

[Roxborough State Park](#) is a mecca for local hikers, mountain bikers and nature enthusiasts.

Wheat Ridge/Edgewater

Station 16

3880 Upham Street, Wheat Ridge ([map](#))

West Metro Station 16 is located near 38th and Wadsworth next to Stevens Elementary and near Wheat Ridge Cyclery.

Response Area

Station 16 houses an engine and an ambulance and provides service to the northeastern most portion of the district which includes Wheat Ridge, Lakewood, Edgewater, Mountain View and Lakeside.

Coverage borders Arvada Fire to the north along I-70 with Clear Creek representing the dividing line and Denver Fire to the east along Sheridan. On the south, to 30th Ave. at Sheridan and down to 22nd Ave. near Garrison St.

The response area includes Lutheran Medical Center, a revitalized 38th corridor between Wadsworth and Sheridan and borders the long established Lakeside Amusement Park and renewed Highlands neighborhood.

Station 17

10901 West 38th Avenue, Wheat Ridge ([map](#))

West Metro Station 17 is located on 38th Avenue in the Prospect Valley neighborhood.

Response Area

The primary response area for Station 17 is bordered by:

- Clear Creek on the north
- 26th Avenue on the south
- Garrison Street on the east
- Youngfield Street on the west

Station 17's response area includes Clear Creek, the Wheat Ridge Recreation Center and the residential neighborhoods of Prospect Valley and Paramount Heights. Station 17's response area also contains Clear Creek wildland-urban interface.
